Statement of Faith

The following is the statement of faith of Covenant Christian School (CCS). The curriculum teaches these truths. Please read the statement carefully. For your student to have a successful experience at CCS, we feel that parents must be in agreement with the spiritual principles taught at CCS. If you are in **total agreement**, please sign your name at the end of this statement.

- We believe** The Bible to be the inspired and only infallible and authoritative Word of God.
- We believe** There is one God, externally existent in three persons: Father, Son, and Holy Spirit.
- We believe** In the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe** In the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
- We believe** In the spiritual unity of believers in our Lord Jesus.
- We believe** In the present ministry of the Holy Spirit by indwelling the Christian enabling him to live a godly life.

Parent Agreements, Consents, and Disclosures

Your signature at the end of this section, on page 5 of this document, indicates that you have read, understand, and agree with the statements below.

Parent Support Agreement-*I/we recognize that Covenant Christian School (CCS) has a qualified, trained staff, and I/we have confidence in their ability to perform the educational functions due us at their discretion. I/we realize that from time to time students take issue with actions that they do not agree with and are prone to criticize statements out of context. This being normal for children, I/we pledge that should such occur, I/we will not support the criticism. I/we will correct our child, support the school personnel, and call for full details at any time I/we have a question concerning the incident. The training of our child is as much our responsibility as it is the school's. I/we will pray for the staff and the school; cooperate with them in discipline; lay a spiritual foundation through Godly examples in the home; follow through with any work, assignments, or slips to be signed; see that the child reaches school on time; call the office or send written excuses for absence or tardiness (as outlined in the Parent-Student Guide); cooperate in training the child to respect school property and pay for irregular abuse of the same; attend parent functions; and assist in positively publicizing the school and its program among friends. I/we understand that enrollment (part-time or full-time) at CCS is not a right, but a privilege, and do affirm that I/we believe that discipline is necessary for the welfare of each student. If this application is accepted, I/we give permission for our student's teacher and/or other agents of the school to make and enforce classroom regulations in a manner consistent with Christian principles of discipline as set forth in Scripture. If deemed necessary, all corporal punishment will be administered by the school principal or pastor of the sponsoring church in accordance with school policy guidelines. I/we will cooperate fully in this regard. If we ever find that we cannot accept the disciplinary standards of CCS, we will withdraw our student from the school. In that event, or if for disciplinary reasons the school must release our child, I/we will forfeit all fees and tuition money paid.*

Book Agreement-Students may be issued textbooks during the school year. Students will return these books, with the exception of workbooks, to the school at the end of the school year in the same condition in which they were received. If a book is lost or damaged it is understood that the student is responsible for the cost of replacement or repair.

Emergency Medical Treatment-In case of emergency or accident, I/we by signing this form give consent for first aid/and or medical treatment for the student named on the cover page of this application. I/we will accept responsibility for payment for such treatment unless all of the charges are covered by insurance.

AIDS Disclosure-I/we affirm that our student or students has not been infected with the AIDS virus. Should such a diagnosis be made, the school will be informed and school guidelines followed. (CCS's full AIDS policy may be obtained through the school office).
