Read-a-thon 2017 Progress

We did it! Our students read 14,154,982 words in just 19 days. We reached 117% of our goal. The students have read 2,146 books during Read-a-Thon, which averages to about 30 books per student. Please help our library by getting sponsors so we can update our check out system and purchase new books to keep the kids reading. All donations are due by Friday.

On May 4 we will celebrate reaching our goal with Mr. Lundquist changing his hair color to the school colors and a lunch featuring food from around the world made by parent volunteers. If you would like to help with the food, **please sign up as soon as possible.** Classes that make their class goal will enjoy a free jean day and an afternoon of games.
