

COVENANT[™]
CHRISTIAN SCHOOL
30 Years Of Education Through Christ

Two Lanes, Same Road

At Covenant Christian School, we feel CCS and Christian homeschoolers are in two lanes on the same road, heading for the same goal: **to raise our children in the training and instruction of the Lord.**

You can round out your children's home education with courses in physical education, music, world languages, and learning resources. CCS's small class sizes and loving Christian teachers will complement the Christ-centered instruction you give at home. Your children can participate in sports and band programs alongside other students from Christian homes. Together they will learn how to love God and each other and how to serve the world in Jesus' name!

Let us covenant with you!
