MyTax.Illinois.Gov — Activate Your Account

The Tax Credit Scholarship Program (TCS) will help low income students receive a quality education while reducing or eliminating your State of Illinois income tax liability. To take advantage of this opportunity, you will need to use the mytax.illinois.gov website to apply for the tax credit in January. The steps below provide instructions for signing up/activating your account once you receive your Letter ID.

STEP 1: Log on to mytax.illinois.gov and click on “Sign Up Now” on the lower left

Below this is a blue navigation bar with a 'Login' button and tabs for LOGIN, INDIVIDUALS, BUSINESSES, IFTA, and REGISTRATION. A maintenance notice states that the site will be unavailable on Friday, November 24, for scheduled maintenance. The main content area features 'Quick Links' for starting an IL-1040, making a tax payment, and retrieving a return. Below this is a login section with fields for Username and Password, and a 'Sign Up Now' button circled in red. A 'Log In' button is also present.

STEP 2: Select SSN and enter your Social Security Number and click submit; then click “Yes” to begin activating your account

A note explains that a Letter ID must be provided and must have been issued within the last 90 days. There are two options for providing the Letter ID: 'Individual IL PIN Look up my IL PIN' and 'Prior Year Adjusted Gross Income', with the latter circled in red.
